Douglas Joyner

Friend Comrade + Fellow Russian Rat
(Moig E. Tiot)

Much to our sorrow we bring
you this message from the War Dept.
Have you heard the latest Bulletin from
the U. There ain't no Santa Claus, but
we figured that if you wouldn't found
you might expect he's coming X-mas.
So dig your bloodshot eyes and throw
away the bottle (To us). So Best of Luck
and Pris hoping that you'll get your
Call to the Far East soon (Good-bye!)

With deepest Sympathy
Faye Walker + Shady.

P.S. Never tell on us for skipping again
you bum, Coffee, Lance and good friend

This is me always sitting up
or out of place. I enjoy sitting in
the back of the room sometimes
especially for a test I like
to pull it on you. You are real
cool kind boys!

A pal friend
wrote this

You and a real Log.

What we got stuff in here for

Mr. Joyner.

Being in your class in Algebra my future has been brought to a head. you talked Navy to me and being of Navy blood I couldn't resist. I hope to join in April. Algebra is my weakest subject and I'd appreciate more drilling in it so that I can reach my objective as an electronic technician. We really had a good time in Washington and I want to thank for pulling that trick on Jeanne and I with the help of Dixon. It made her feel that she was welcome. The pictures I took turned out good mainly because you helped me with all the procedures. Again I want more drilling in Algebra. I have really enjoyed Algebra II even though it is hard. Lot of luck, if you need it, and may we enjoy the trip to ~~Join~~ the tourist of San Juan, when we go.

Sincerely a friend & student and soon to be ~~Navy~~ Navy man.
Richard A. Renaud

Mr. Joyner. We have really had a good time haven't we. Remember Washington, but don't get angry because you put wet on Dad up, it is all in the fun. Algebra is really cool if I can pass it or not. I hope I do and if I do I really have enjoyed being in your classes but I'm quite afraid I have not enjoyed Algebra at all. Well I guess I better see if I can do another problem in this period so I can make 30 or below. I would like to make it easy for me and for B. Don't be so rough on me, this pertains to this poor kid.

A friend to be and Navy Bound.
Amen.

Earl Brock

Our dearest dearest Commander Moig,

It is with the deepest regrets of the War Dept. that we send you this telegram. It reads as follows:

Roses are red,
Violets are blue,
a Mug like yours
belongs in the Zoo!

I don't mean this for you but somebody wrote it in my book. Don't forget the Washington trip. Everywhere I looked there stood Joyner like a "Stonewall" snapping pictures. I think he has tried to forget that he got tied up and lead-taped. But we ain't.

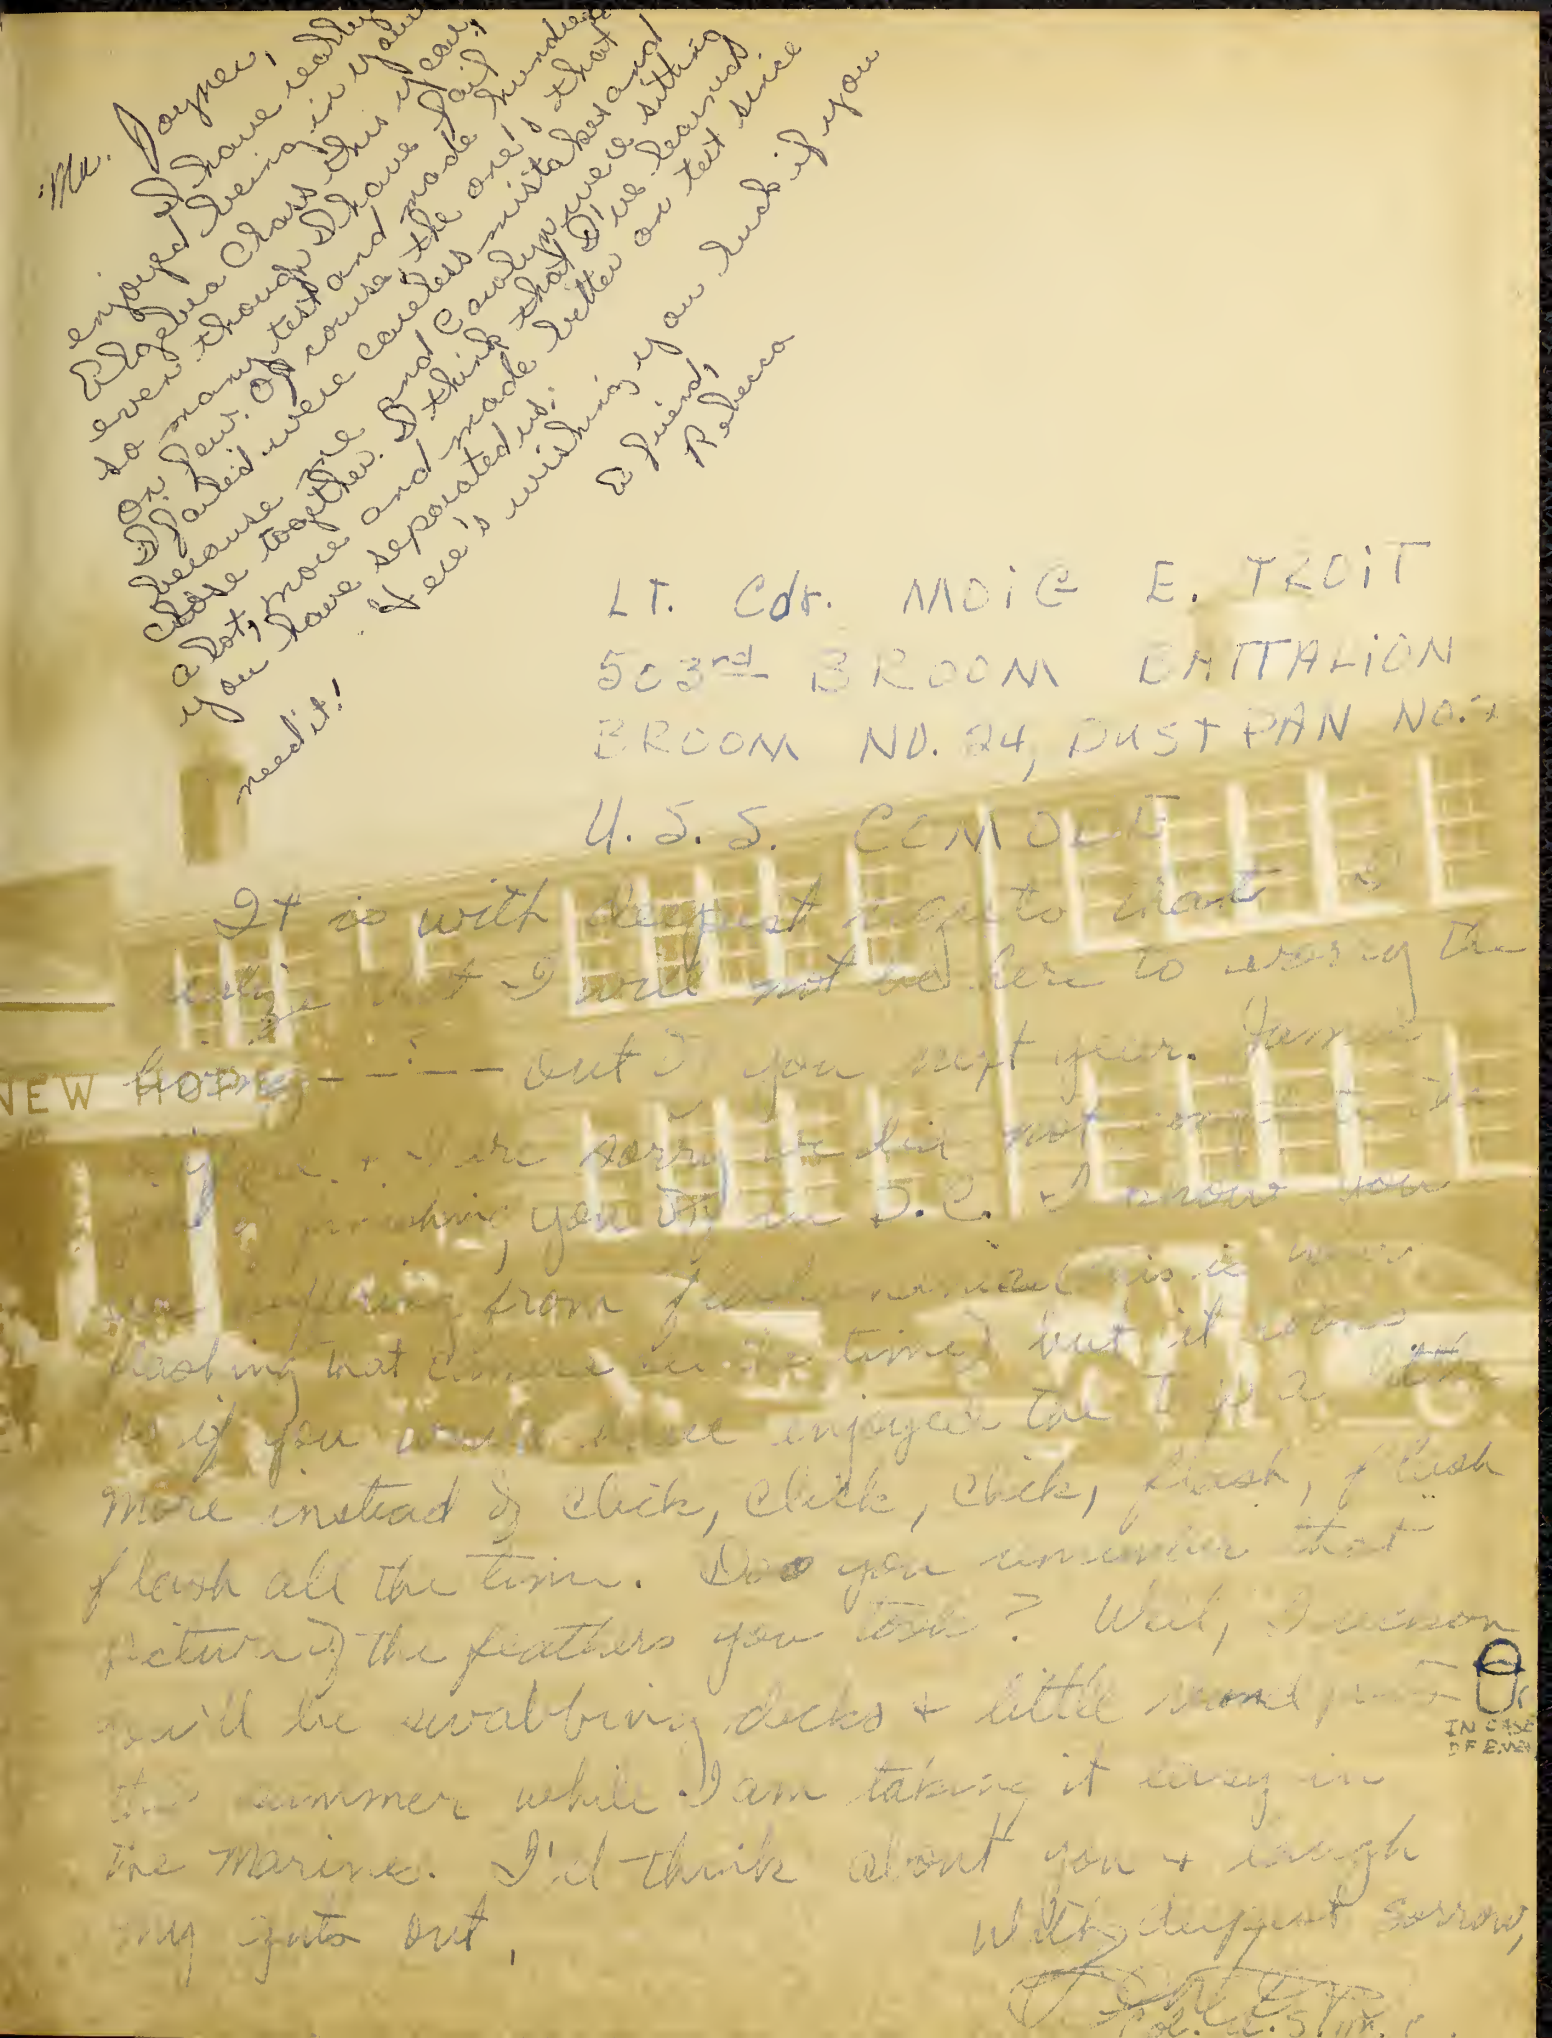
Well, I gotta go join the marines to kinda look out and see that your Navy men don't get hurt. Sniff, Sniff

Boo Hoo, Hoo

Bye

Whitey

Col. USMC



Mr. Payne, I have received
engaged. Being in your
Eligible Class. This is very
even though I have had
so many tests and made
on Lieut. Of course the one that
I failed were careless mistakes and
because together. I think that I've learned
a lot, have and made better on test since
you have separated us!
need it!
Wish you luck if you
& friend,
Rebecca

It is with deepest regret to have
to [illegible] I will not be here to wish you the
[illegible] but I got your card. Sorry to hear
[illegible] you in D.C. I know you
[illegible] from [illegible] but it will
[illegible] you [illegible] I'll be
more instead of click, click, click, flash, flash
flash all the time. Do you remember that
picture of the feathers you took? Well, I guess
you'd be swabbing decks + little round pots
this summer while I am taking it easy in
the Marines. I'd think about you + laugh
my guts out.

With deepest sorrow,
[illegible]
Pfc. U.S.M.C.
